

To Whom It May Concern,

2 years ago, Homeward Bound CT began the Spay It Forward campaign in an effort to cover the high costs of spaying and neutering dogs in our Connecticut shelters.

As you know, our shelters are filled with healthy dogs in need of loving homes. And as you also know, this is largely because they aren't spayed or neutered, which contributes to the cycle of unwanted litters. Our goal is to make a dent in this problem, but we cannot do it without your help.

We are inviting you, and other local veterinarians, to partner with us in this cause. The funds we raise under our Spay It Forward campaign are specifically allocated for the spay/neutering of Connecticut dogs, and we are hoping you can offer discounted or free spay/neuter to help us stretch these funds. If you can help us by donating or discounting one or more spay/neuter surgeries, our reach can go much further.

Imagine how many dogs we can save from euthanization by working together?

If you would like to get involved, please fill out the attached form, or go directly to our website at [www.homewardboundct.org/spay-it-forward/](http://www.homewardboundct.org/spay-it-forward/).

If you have any questions or need additional information, please feel free to contact us directly at [itsallaboutthedogs2014@gmail.com](mailto:itsallaboutthedogs2014@gmail.com), or call us at 860-553-3641.

Thank you so much for your time and consideration, we hope you are willing to help us Spay It Forward!

Sincerely  
Susan Hotkowski
