We're excited to announce our new Beer & Wine Tent!

Our 4th annual Chester Dog Fair fair will be held on September 15th & 16th this year. The Chester Dog Fair is an event where people can come with their dogs to socialize, shop and try new experiences. This event acts as Homeward Bound's big annual fundraiser to raise money for our continuing mission of helping rescues and shelters find loving homes for their dogs.

Fair festivities are designed for dog lovers to shop for both pet and non-pet related items. We also have food trucks, live music, dog demonstrations and activities which fair goers and their dogs can participate in. Families can learn about local pet related services, consult with a local Veterinarian, Groomer, Pet Sitter, Therapy Pet Partner Team and Trainer. Some of our dog activities available will be the Canine Good Citizen testing, scent work, handling skills, trick training, "Doggie Olympics", and our ever popular lure course.

Over the past 4 years we have quintupled the amount of people that attend our event, and one common question we're asked is "where's the beer tent?". So this year we decided to give the people what they want! The beer and wine tent will run from 3-5 on Saturday only. If all goes well we will expand the hours for next year's event.

We will offer 2 full pours or 2 flights per admission ticket to the beer and wine tent, and we are asking local breweries and wineries for case donations of either beer, wine, or hard cider. All proceeds from the admission tickets will go to Homeward Bound CT. If you would like to help out, but can't donate product, we also have a sponsorship level of \$300 which includes a large banner hung at the beer tent.

If you are interested in donating to, or sponsoring our Beer and Wine Tent please fill out the form attached. Thank you for taking the time to read about our event and organization!
